

How to Use Wellness Living Software

To Register:

- Go to <http://www.wellnessliving.com/signup/cameronstation>
- Enter your first name, last name, and email address and click “sign-up”
- You should then receive a registration confirmation email. Open that email and click on “activate account”
- This will take you to your profile page, where you will finish registration. A password, phone number, date of birth, and signature for the online waiver will need to be completed. Once that’s done, click on “create my account”
- Once these items have been completed, you will have a profile in Wellness Living and be able to start booking reservations.

To Make A Reservation:

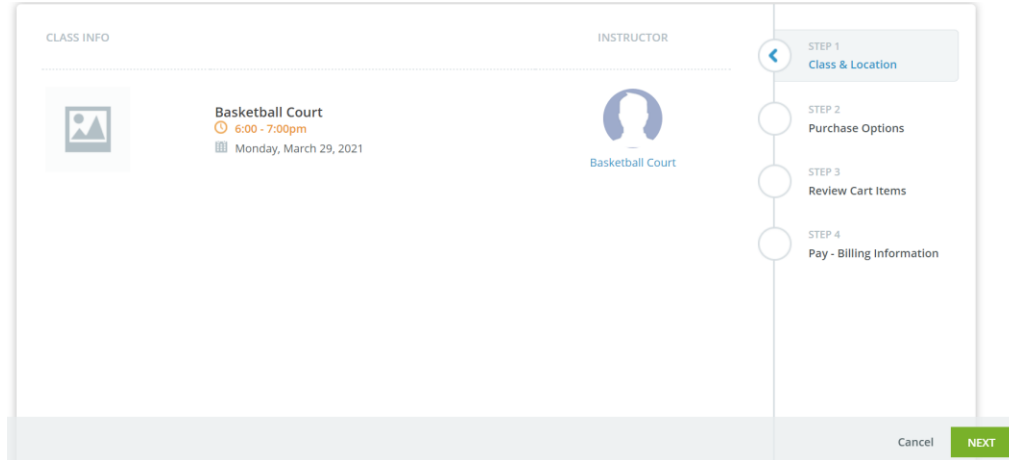

- Go to <http://wellnessliving.com/login/cameronstation>
- Once you enter your username and login, it will bring you to this page

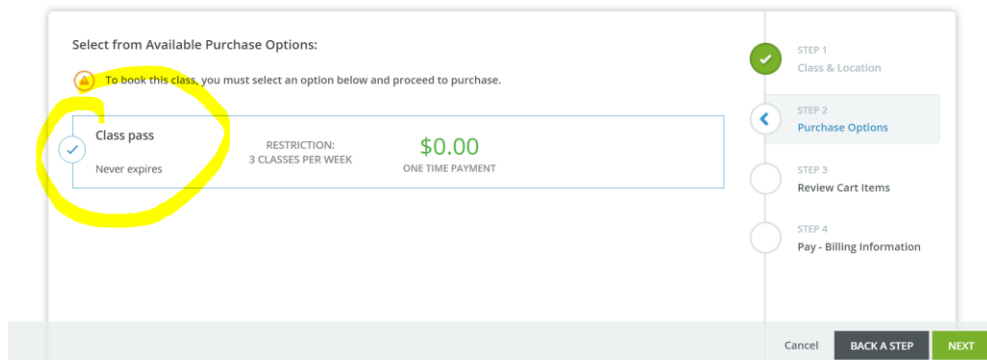

- From here, click on what type of reservation you are trying to make (i.e Gym, classes, or basketball court)
- Then scroll down to the date and time of the reservation spot you are looking to book and click on the green book now button, on the right hand side. (see below)

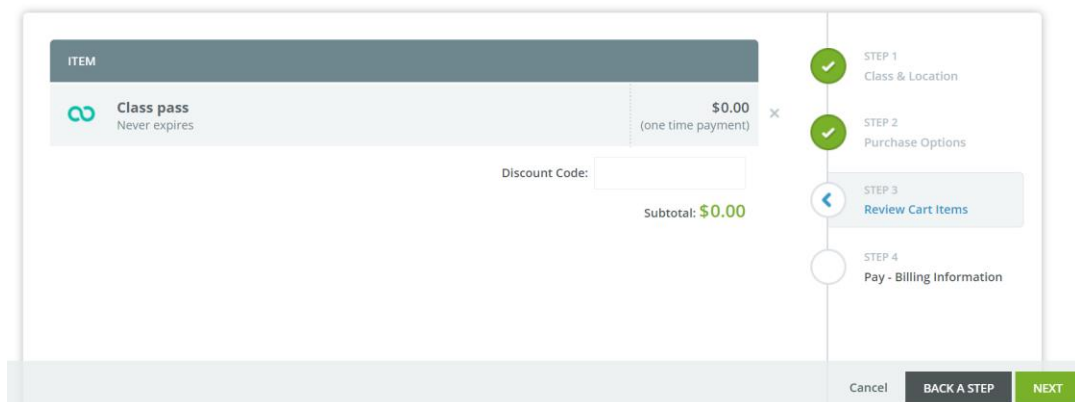

- Once you click book now, it will take you to the following page, where you will confirm the date and time of the reservation

- Click on the green next button in the bottom right corner
- Next, you will have to purchase a “class pass”. Once purchased it will not expire and you will not have to purchase another one. As per the previous reservation system, you will be allowed three bookings per week. NOTE: A class pass must be purchased in order to proceed.

- Make sure to click the circle next to class pass and then click on the next button
- Click on the green next button on the bottom right of the next page, to confirm your class pass purchase.

- The next page will ask you to complete your purchase and your reservation will be complete.

Downloading and Using the Wellness Living App:

- Feel free to download the Wellness Living Achieve Client App once you have created your profile and start making your bookings from the app.

[For App Store](#) or [Google Play](#)

- Also, check-in at the front desk from your mobile app.
